

The World Figure Sport Society (WFS) is a not-for-profit 501 (c) (3) that uniquely holds Figure & Fancy Skating national, international, and world competitions thereby ensuring that this beautiful sport, art, and knowledge remain alive for generations to come.

WFS needs individuals and/or companies to make a difference for the upcoming 2017 World Figure & Fancy Skating Championships, World Juniors & World Skating Festival in Vail, Colorado, September 28 – October 1st. When you donate, WFS issues entry scholarships to skaters of all ages and abilities. All World Figure Sport events are open, which also includes events for disabled skaters (Inclusive Skaters).

Dorothy Hamill is our Special Guest and Honorary Referee of the Championships!

Throughout the year, WFS also gladly accepts your donations that are directed towards other World Figure Sport Workshops, Competitions & Exams. Your generosity is the only reason that WFS can operate to spread the joy, prestige of learning, and competing in this amazing sport and art - Figure & Fancy Skating. Your donations ensure that the endangered structural foundation of the sport of skating remains alive for years to come. World Figure Sport believes that every sport should enhance life in a beautiful way and our eligibility to compete is “simply to be human” whether one is a world-class skater or developing skills for a lifetime.

Please donate in memory of or in honor of someone today. The World Figure Sport Society is a tax-exempt organization as described in Section 501(c)(3) of the U.S. Internal Revenue Code.

With gratitude for your generosity,

*Karen Courtland Kelly
